

INFORMED CONSENT—COVID-19 PANDEMIC

I, _____, understand that I am opting for an elective treatment/procedure.

I also understand that the novel coronavirus, COVID-19, has been declared a worldwide pandemic by the World Health Organization. I further understand that COVID-19 is extremely contagious and is believed to spread by person-to-person contact and accordingly, federal and state health agencies recommend social distancing.

I recognize that Courted Spa has put in place reasonable preventive measures intended to reduce the likelihood of spreading of COVID-19 but that Courted cannot guaranty the effectiveness of those measures.

Given the nature of the virus, I understand there is an inherent risk of becoming infected with COVID-19 by virtue of proceeding with this elective treatment/procedure.

Accordingly, I acknowledge and assume the risk of becoming infected with COVID-19 through this elective treatment/procedure, and I give my express permission for the practitioners and staff at Courted Spa to proceed with the same.

I understand that possible exposure to COVID-19 before/during/after my treatment/procedure may result in any of the following: a positive COVID-19 diagnosis, extended quarantine/self-isolation, additional tests, hospitalization that may require medical care, intensive care treatment, possible need for intubation/ventilator support, short-term or long-term intubation, other potential complications, and the risk of death.

In addition, I understand that COVID-19 may cause additional risks, some or many of which may not be known at this time.

I have been given the option to defer my treatment/procedure to a later date. I understand all the potential risks, including, but not limited, to the potential short-term and long-term complications related to COVID-19, and I would like to proceed with my desired treatment/procedure. I acknowledge that I have been offered a copy of this consent form.
